ADDENDUM TO LEASE: PET POLICY

TERMS:

We believe in the significance a pet can mean in a person's life. Many of our employees are pet owners and when possible, we do like to allow pets in some of our units. However, because many of our units are multiple dwellings, we also must take precautions for the proper quality of life for all our tenants and their prospective pets. Therefore, it was necessary to establish the following guidelines for having a pet while renting with us.

Management reserves the right to refuse any pet/animal for any reason – breed, size, location of apartment, etc. If any rule or provision of the Pet Policy is violated by tenants or guests, Management reserves the right to have the animal removed from the premises immediately and permanently.

PET RULES:

1. Only one pet will be allowed per dwelling unit, unless approved by Management.
2. When a pet has been allowed, it should be fully described on the tenants' account. You must also fill out appropriate paperwork to register the animal/pet with the office.
3. All pet owners must carry liability insurance.
4. All pets (including cats) are to be on a leash when not inside the dwelling unit.
5. Pets are not to be staked out at any time. All stakes, leashes, ropes, chains, etc. will be picked up and fines will be issued.
6. All pet stools must be picked up immediately and disposed of properly. Take a bag/sack or appropriate tool with you to pick up after your pet.
7. No unauthorized pets will be allowed on the premises of your property without prior consent. This includes pet sitting, friends, or family bringing pets during visits, etc.
8. Tenant is responsible for actions of the pet at all times.
9. If a pet attacks/bites a person or another animal, or is determined by Unique Apartment Homes Management to be dangerous, abandoned, neglected, or a nuisance the animal is subject to immediate removal.
